Question 15
Here is the list of cities hosted the event!
City
Albertville                  3436
Amsterdam                    4992
Antwerpen                    4292
Athina                      15556
Atlanta                     13780
Barcelona                   12977
Beijing                     13602
Berlin                       6506
Calgary                      2639
Chamonix                      460
Cortina d'Ampezzo            1307
Garmisch-Partenkirchen        895
Grenoble                     1891
Helsinki                     8270
Innsbruck                    3639
Lake Placid                  2098
Lillehammer                  3160
London                      22426
Los Angeles                 12423
Melbourne                    4829
Mexico City                  8588
Montreal                     8641
Moskva                       7191
Munich                      10304
Nagano                       3605
Oslo                         1088
Paris                        7169
Rio de Janeiro              13688
Roma                         8119
Salt Lake City               4109
Sankt Moritz                 1657
Sapporo                      1655
Sarajevo                     2134
Seoul                       12037
```

```
39 Sochi                    4891
40 Squaw Valley             1116
41 St. Louis                1301
42 Stockholm                4338
43 Sydney                  13821
44 Tokyo                    7702
45 Torino                   4382
46 Vancouver                4402
47 Let's see the graph of top 5 cities who hosted the
   most
48
